With reference to Government Order No. 201-4Sanitary 158-09-8 dated the 11th July 1911, sanctioning the establishment of a Bacteriological Laboratory at the Kolar Gold Fields at the cost of the Sanitary Board, I have the honour to state that a portion of the Health Office building at Robertsonpet is being fitted up as a Laboratory. The cases containing the chemicals and other articles required for the working of the Laboratory have been received from England and are being unpacked. The Health Officer reports that he has taken on an attendant for the Laboratory on Rs 10/- plus 2/- with effect from the 1st March 1913.
